We're looking for a special couple to work as Park Attendants from mid-October, 2024 through mid-April, 2025. This time frame is firm. Actual dates can be determined once the job is offered.

This is a position for a groundskeeper and an office attendant. Payment includes a monthly stipend along with a full hook-up site, also an electric and laundry credit.

The park attendant works a 3 days on/2 days off schedule rotating with a second park attendant. The office attendant works only weekends. Each couple gets every other weekend off together. Should the office worker be needed anytime other than the scheduled weekend, he/she would be paid for hours worked at the rate determined by Florida minimum wage.
