Let's keep the music playing...

If you are going to be at the Resort this winter, don't forget to bring your acoustic instruments. You might need to dust down your ukulele or guitar, or polish up your harmonicas. Or maybe you always wished you had learned to play. Well, just come along and try one of our ukuleles.

Our ukulele lesson structure will be slightly different this winter, with the whole of Friday afternoon dedicated to music. That means that the folks who like to go to Monday jams with the Sand Fleas can do so without missing our group sessions.

Our "Beginners and Refreshers" lessons (1:00pm - 2:00pm) will provide you with all you need in order to practice and to take part in the music jam.

For more experienced players, and anyone up for a challenge, we will be delving into familiar songs (and some new ones) in order to heighten our level of skill and enhance the sound we make (2:00pm-3:00pm). Let's get creative.

Our Friday jam (3:00pm-4:30pm) will take the same format as in the past and we welcome all acoustic instrument players in the park as well as observers. Come along with your song choices and use this as an opportunity to try out what you have been learning. It is fun and uplifting and Trinity enjoys the entertainment.

Our travel arrangements are coming together as we write this, so let's aim for a music jam at 3:00pm on Friday, November 7. Happy strumming and picking.

Christmas Parade

The Wauchula Christmas Parade will be Dec. 6 at 6 p.m. The theme is Wauchula's Sweet Street Spectacular Parade. We have chosen "Sweet Tooth Express" for our float. It will be decorated to look like the Radio Flyer wagon of our youth. We'll be filling it with giant-size lollipops, candy bars, hard candies and more.

We are hoping that some members and guests will walk with us in the parade. We hope any walkers will buy a red or green apron. We will be the Sweet Tooth candymakers from the Sweet Tooth Candy shop. If you get an apron, we will provide the "company logo" and possibly a candy maker's hat.

We have two volunteers to carry the required banner in front of the float. There will be no people on the float as it is small. We are using the Park's trailer, which is 12'x6'.

Volunteers to put the float together the day of the parade will also be needed. Get excited! This is going to be loads of fun!!!!

Welcome our new park attendants

Meet our new Park Attendants Rick & Tammie Coffman! Rick and Tammie are our newest park attendants, and we welcome them to Florida SKP Resort. Their Site is G-20. Rick grew up in Buckfield, Maine, while Tammie grew up in Norway. Tammie was out in a bar with her sister when she first met Rick and after a little matchmaking with her sister, they became a couple who have now been married 21 years. Together they have a combined four children and ten grandchildren. Rick has been retired since 2023 and was previously employed as a Police Officer, an Equipment Mechanic and a Truck Driver. Tammie retired in 2014 and was previously employed as a Nurse's Aide, a Bookkeeper, a Town Clerk, Worked with Disabled Children and ran an Antique Store. Since retiring they have enjoyed traveling. They have built a house, and they have refurbished two houses. They did not enjoy last summer when they flipped an ATV over in the water, luckily, they only got wet. During their spare time, Tammie enjoys knitting, crocheting, quilting and crafts, while Rick's hobby is woodworking.

New Reservation system

Campspot is our new reservation system, which has been highly successful. Guests can now book online either through our website or on Campspot. Paperwork has been streamlined as now it's all emailed when they book. Of course they can still call in to book, which some of our old timers still do. Feedback has been very positive from returning guests on the ease of use & convenience.

Message from the Fun'n Sun President

Ready for another busy season at the SKP Resort? November brings new energy and fresh ideas from visitors, snowbird members, and residents. The variety and success of our activities depends on volunteers. I would like to thank all of you who have stepped up (some for many years now) and provided so many wonderful activities and worked behind the scenes to keep things running smoothly. This year, we have several vacancies and it's time for new members to step up and help out. Volunteering is a great way to meet new people, build friendships and feel like a part of our SKP family. Please consider helping out with:

- Movie Night
- Ice Cream Socials
- Welcome Committee
- Stocking Ice Cream
- Set-Up for special events
- Organizing Leos & Romeos
- Birthday/Anniversary list
