

## **PUBLIC SAFETY NOTICE RE: Florida Sexual Offender/Predator Registry**

### **To All Members, Residents, and Guests:**

The Board is providing information about publicly available safety resources maintained by the Florida Department of Law Enforcement (FDLE) concerning registered sexual offenders and sexual predators.

### **Florida's Public Registry**

Under Fla. Stat. § 775.21 and § 943.0435, individuals convicted of qualifying sexual offenses must register with FDLE. This information is maintained in a public database accessible to anyone at any time.

### **How to Access Registry Information**

Search by name, address, city, county, or ZIP code:

**FDLE Registry:**     <https://offender.fdle.state.fl.us/>

**Email Alerts:**     <https://www.floridaoffenderalert.com/>

SKP does not monitor or verify registry information. Registry status can change—consult FDLE directly for current information.

### **Community Standards**

Members who engage in harassment, intimidation, threats, or unlawful conduct create liability for themselves and the park. Direct safety concerns to FDLE or the Hardee County Sheriff's Office.

### **For Prospective Members**

All prospective members should independently review the FDLE registry and sign up for ongoing alerts before completing any purchase or membership application.

### **Questions**

Contact FDLE at 1-888-FL-PREDATOR (1-888-357-7332) or Hardee County Sheriff's Office at (863) 773-0304.

Respectfully,

**SKP Board of Directors**
